75

YEARS OF CONTRIBUTIONS TO THE GROWTH AND DEVELOPMENT OF HAWAII

Our special thanks to the Filipino pioneers whose perseverance and hard work paved the way for today's younger generation, including the formation of People's Savings.

People's Savings serves the needs of Hawaii's multi-ethnic community with understanding and deep respect for their various cultural backgrounds. We are a new association but, like Hawaii's ethnic groups, we draw from the wisdom of thousand-year-old cultures.
